KERREEN C. TOMLINSON MD15

: CONSENT ORDER

TO PRACTICE RESPIRATORY CARE IN
THE STATE OF NEW JERSEY

This matter was opened to the New Jersey State Board of Respiratory Care upon information indicating that Kerreen Tomlinson had been practicing respiratory care in the State of New Jersey without having first obtaining a license in violation of N.J.S.A. 45:14E-9. Ms. Tomlinson has acknowledged that she was practicing respiratory care at St. Joseph's Hospital under a temporary permit which expired on September 1, 1998. She then continued to practice without a license until February 26, 1999, at which time she was notified that she had been approved for permanent licensure as a respiratory care practitioner in New Jersey.

The Board having considered the aforesaid information, and the parties being desirous of resolving this matter without the necessity of formal proceedings; and Kerreen Tomlinson acknowledging a violation of the above statute governing the practice of respiratory care, and having waived any right to a hearing in this matter; and the Board finding that good cause exists for the entry of the within Order;

IT IS ON THIS
